St. Vincent Parish Tuition Assistance

If you need assistance paying your tuition for the 2023-24 school year, the Parish offers tuition assistance. This assistance is provided by the St. Vincent Parish and the St. Vincent Educational Foundation. To sign up for tuition assistance, complete the Tuition Assistance Application (found on our website) and turn it into the Parish Office with a copy of your 2019 W-2's and 2019 Tax Return by May 19, 2023.

To be eligible to receive assistance from the Parish you have to first complete the following:

1. Complete an application with the Today & Tomorrow Education Foundation for a scholarship from the Archdiocese of St. Louis.

2. Complete or plan to complete the 3 different events the Parish offers for tuition assistance. (Attending Mass and participating in the offertory collection, working at a PTO Fish Fry, working at the Seminary Picnic.)

Your application will be reviewed during the month of May and you will be emailed the decision by June 1, 2023.
