

**Seniors, this is your last schedule. We appreciate your years of service to our school and and wish you much success in the future! Enjoy your last couple months of high school!**

**We hope you will continue to sub if you are attending a Mass where we are short servers. If you are able to continue your ministry of serving after graduation, even if only through the summer, please email me, Paula, at [pschnurbusch@svdepaul.org](mailto:pschnurbusch@svdepaul.org).**
