

North Perry County Tuition Assistance Letter

If you need assistance paying your tuition for the 2024-25 school year, your Parish may offer tuition assistance. To sign up for tuition assistance, complete the Tuition Assistance Application (found on our website) and turn it into the St. Vincent Parish Office with a copy of your 2023 W-2's and 2023 Tax Return by May 17, 2024.

To be eligible to receive assistance from your Parish you have to first complete the following:

1. Complete an application with the Today & Tomorrow Education Foundation for a scholarship from the Archdiocese of St. Louis.
2. Complete or plan to complete the 3 different events the Parish offers for tuition assistance. (Attending Mass and participating in the offertory collection in a trackable way, working at a PTO Fish Fry, working at the Seminary Picnic.)

Your application will be reviewed during the month of May and you will be emailed the decision by June 3, 2024.

If you have any questions, please contact Todd McDonald at 573-547-4300 Ext. 112 or tmcdonald@svdepaul.org.
