Fellow SV Alumni, Family, and Friends:

I am announcing that the St. Vincent High School Alumni Association has suspended our Queen of Hearts Raffle Fundraiser until further notice. All tickets purchased following our previous drawing shall be included in the next raffle. As soon as we receive the green light for our next drawing, we plan on announcing the date and time of the next drawing at least two weeks in advance.

I would also like to give an update regarding our annual golf tournament. Being that the current date scheduled, April 24, is nearly a month away we would like to keep this date if at all possible. The Board and I are currently evaluating our options and plan on announcing our decision regarding whether or not we will be postponing the event within the coming weeks.

In order to successfully finance the St. Vincent High School Athletic Programs, the Alumni Association majorly relies on donations from our local business throughout the community. Below I have included a list of the businesses who have directly supported the Alumni Association through this year's Football Sponsorship Program and our Gameshow Night. I ask that the St. Vincent Community continue to proudly support these businesses who proudly support us.

As always, thank you for your continued support of the Alumni Association and St. Vincent Athletic Programs. Please continue to pray for the wellbeing of our students, teachers, families, friends, and alumni. We all play an important part in our SV community, and only as a community can we thrive.
